

**More free-to-guest (FTG) channels...
lower equipment costs than HD...
and DVD picture quality. How can you
beat that?**

LodgeNet Digital SD is a new way to offer your guests a better FTG TV experience. Not only does it support more channels, but it ensures all those channels stay digital – all the way to your guest rooms. For a picture as clear as if it were coming straight off a DVD.

- LodgeNet Digital SD can **deliver 3x the amount of channels** using the same bandwidth when compared to analog.

FEATURES

- **True Digital-To-The-Room Delivery** / For the best picture quality
- **Maximized Efficiency** / The most channels your hardware and network will support

BENEFITS

- **Save Money** / Reduces additional FTG equipment costs for many major brands
- **Improve The In-Room Experience** / DVD picture quality for a difference your guests will notice – and appreciate
- **Channel Bandwidth** / Expand your channel lineup without upgrading your wiring
