

LodgeNet | Wii™ for Public Spaces

Pump up the traffic in your bar, fitness center or game room with the video game platform that OWNS the consumer market!

Wii is a great way to add some fun to the places your guests eat, meet and mingle! And it comes with everything you need.

FEATURES

■ Designed Specifically for Hotels

- Console is engineered for heavy use in a hotel environment
- Discreet, locked metal enclosure enhances hardware security
- Games are licensed for commercial use and integrated into the console; no game discs to manage or replace
- Easy, menu-based guest access to up to 22 popular games

■ **Centralized Management** / Property managers can receive updates of popular new games via an approved network connection and can erase saved game data

■ **Turn-Key Solution** / Hardware, software and installation are all included

BENEFITS

■ **More Traffic in Your Revenue Center** / Turns a “ho-hum” venue into a happening hotspot for guests and other visitors

■ **An Enhanced Hotel Experience** / A unique on-site recreation option that can add value to the stay
