

LodgeNet EasyHD Solutions

The LodgeNet EasyHD™ package is a turn-key solution that provides everything you need to plan and deliver a compelling and reliable HD experience for your guests. EasyHD services include pre-migration planning, project management, installation, ongoing service plans, financing options and more.

BENEFITS

- Delivers an HD experience from a single provider, giving you a single resource through your migration process.
- Expedites the opening or conversion of guest rooms to high-definition services by providing a knowledgeable and experienced team that streamlines the installation process.
- Ensures that all hardware, content and network requirements have been planned and installed to work together effectively.
- Provides 24x7 nationwide service and support to manage your HD solution after installation.

36% of hotels **have HDTVs** in their rooms.

AHLA 2008 Lodging Survey

46.4% of guests are **more satisfied** if the room has an **HD flat-panel display**.

Zoomerang, May 2008

KEY FEATURES

- Thorough planning: In-room entertainment strategy and implementation (choosing technology, integration, wiring/cabling, design and more).
- Expert, end-to-end project management: Assures that the hotel's HD solution is designed, installed, tested and deployed with minimal disruption to your operations.
- Precise installation: Highly trained and qualified technicians get the job done right.
- Expanded protection: Your technology investment is covered beyond manufacturers' standard warranties.
- Effective financing solutions: Work with experts who know technology and understand the lodging business.

PLATFORMS SUPPORTED

- LodgeNet HD-Ready
- LodgeNet HD Advanced
- LodgeNet IPTV
