GETTING TO LODGENET

...From the Sioux Falls Airport

From the airport parking lot, turn right onto Minnesota Avenue and drive south until you reach the first stoplight (Russell Street). Turn right and drive west on Russell Street (which curves toward the north after you pass Kiwanis Avenue). Continue on Russell through the Westport Avenue intersection and over I-29. After crossing I-29, continue driving west until the 2nd stoplight (Career Avenue). Turn right and drive north to the 1st intersection (Innovation Street). Turn right and drive east to Maple Lane, then turn left into the LodgeNet parking lot.

...Via I-29

Northbound

Take Exit 81 (Russell Street). Turn left onto Maple Street and drive west across I-29 to the 2nd stoplight (Career Avenue). Turn right and drive north to the 1st intersection (Innovation Street). Turn right and drive east to Maple Lane, then turn left into the LodgeNet parking lot.

Southbound

Take Exit 81 (Russell Street). Turn right and drive west on Maple Street to the 1st stoplight. Turn right and drive north to the 1st intersection (Innovation Street). Turn right and drive east to Maple Lane, then turn left into the LodgeNet parking lot.

Parking and Registration

Several areas close to the LodgeNet building are reserved for visitor parking. If visitor parking is full, or you have a large amount of equipment or a disability, you may park under the front canopy while the receptionist assists you.

For security purposes, we require all visitors to enter through the front entrance and to register with the receptionist upon arriving. The receptionist will give you a visitor identification badge; please wear it at all times while you are on the premises.
